Dear Parents/Guardians:

In order to ensure the care, welfare, safety and security of our students, at all times, we need to know which students will be staying for lunch and which students will be going home. Students who will be staying at school for lunch will be expected to follow all lunch rules and lunch privileges may be withdrawn for failure to comply with these rules.

If your child will be regularly staying for lunch and you need to pick him/her up on a certain day, you will need to provide a written note to your child's teacher indicating that you will be picking them up. **Students are only allowed to leave school property with parental supervision.**

Since parents expect their children to be safe at the school including lunch time it is important that we have a clear indication of your wishes. Please check the appropriate section at the bottom of this letter which applies to your child and return it to the school so that our Lunch Supervisors and Staff have an updated list of students who will be staying for lunch.

Thank you,

Mrs. L. Klassen
Principal

Please check the appropriate spot, sign and return to the school by Friday, September 9th.
