September 2011

Dear Parents,

Once again, our Alexandra Milk Program will be up and running soon! It will work the same way it has in previous years, with students purchasing a card that is redeemable for 20 milks, either chocolate or white.

Each card will cost \$13, and will be kept in your child's classroom. At the 2nd Nutrition Break, students will go to the milk room and receive their milk and their card punched. When the 20 milks are finished and you wish for another card, simply send the money with your child along with a note in their organizer and they may purchase one at the office. Please note that any spaces left on the card cannot be redeemable for cash.

Please fill out the form below and return it with the \$13 and a card will be issued to your child.

Thanks for your support in this program,
Alexandra Staff,
